Dear Sir:

Camp Kilmer will have a Baseball Team this season. The records of the last season indicate that our team played the Newark Eagles Team. I have been informed that it was a good game. We should like to play you again this season here at Kilmer.

May I suggest the date, 19 May at 5:30 P.M. We would be pleased to serve your team a meal right after the game or before the game if desired. If you are unable to furnish your own transportation, we will make necessary arrangements.

May we hear from you soon? Best wishes for a successful season.

Very truly yours,

Henry C. Bonaldi
